

## **AGREEMENT IN LIEU OF AN EROSION AND SEDIMENT CONTROL PLAN FOR A SINGLE FAMILY DWELLING**

In lieu of an erosion and sediment control plan for the construction of a single family dwelling, I agree to comply with any reasonable requirements determined necessary by the Erosion and Sediment Control Plan Administrator of Sussex County. Such requirements shall be based on the conservation standards contained in Erosion and Sediment Control Ordinance, Chapter 12, Article IV, Sections 12-71 thru 84 of the County Code of Ordinance, and the Virginia Erosion and Sediment Control Law and Regulations, and shall represent the minimum practices necessary to provide adequate control of erosion and sedimentation on or resulting from this project.

At a minimum, any necessary perimeter sediment trapping measures will be installed and all denuded areas on the lot shall be stabilized within seven (7) days of final grading with permanent vegetation or protective ground cover suitable for the time of year. Areas where permanent grade has not been achieved, but which are idle for a period of thirty (30) days or more, shall be stabilized with temporary vegetation or other approved measures.

A construction entrance shall be provided in all cases, the design of which shall be depicted on the site plan for the property and shall be approved by the Erosion and Sediment Control Program Administrator.

I further understand that failure to comply with such requirements, within three (3) working days, following notice by the representatives of Sussex County may result in a citation for violation of the County Code of Ordinance and the Virginia Erosion and Sediment Law and Regulations.

Additional measures specified by the Plan Approving Authority:
